The first thing you need to complete is your profile. To access this page please click the profile link on the top left of the dashboard page.

Personal Detail	Business Detail	Payouts	Card Settings
Name John			Edit
Display Name john			Edit
Location –			Edit
Password **********			Edit
About Yourself –			Edit
Profile URL https://www.yousaidit.co.uk/designer/john			Edit

First, let's update your location, Just click the edit button on the right of the page. You can put anything in this box e.g UK, Carlisle, England or Earth.

Next, how lets add some text about you and your business, just click edit next to About Yourself. This is a great place to let customers know about you and your designs.

You can also choose your own profile URL. To edit this just click edit next to your profile URL. **Please note – we only recommend you do this once, changing this later can affect your organic search results.**

Want to change your display name to your business name? We'll show you how to edit this on the next page.

Now let's edit your display name. If you click the business details tab you'll be shown the page below.

Personal Detail	Business Detail	Payouts	Card Settings

Business Name	-	Edit
Business Address	-	Edit
VAT	-	Edit

On this page you can add your business name, address and VAT number if you have one. Just click the edit buttons on the right of each row.

Update Display Name

Personal Detail

Name	John
Display Name	Display Name

	john ✓
Location	
Password	

Once you've updated your business details and added your business name just click back to the personal details tab and click edit next to display name.

Here you'll see your name, username and now your business name. Just click your business name and this will set your profile to display your business name rather then your username or first name.

Payouts

Next let's setup your payouts. Click the payouts tab and this will show the screen below.

Personal Detail	Business Detail	Payouts	Card Settings

PayPal Email Address   –   Edit

We use PayPal to process our payouts, just click the edit button next to PayPal Email Address and input your payment address here.
At the start of each month if you have over £5 in credit, this will be the address we'll send payment to. You can change this anytime.

Upload Your Profile Logo and Header Image

Now let's add some life to your profile. We will need your logo to be square e.g. 250px x 250px. To upload your logo just click the button next to the round area with the silhouette below.

Your banner needs to be about 1397 x 256px, just click the banner space to upload your artwork.

Card Setting

We can print your logo on the back of greeting cards featuring your design, to do this just click the tab named card settings.

We recommend your logo uploaded is 250px x 250px and set to 300dpi.
